## From the Section Coordinator

All our clubs are now conducting their 2007 match and season planning. I am also at the end of my elected term as your SC. As I have stated and continue to promote for our section, we are comprised of many different people, with many different individual schedules. But there are numerous opportunities to help make this sport successful and your clubs active.

We will be conducting our elections for the 2007 season, most likely in early January to kick off our next season. If anyone is interested in the SC position, please contact your club rep and express that to them to be considered for nomination. All I ask is that you take this position seriously and if you volunteer, take the time to do the job right. Your local shooters depend upon you as a guide and representative of all our clubs as a section.

We need your help and participation. The more help we get the better it is for everyone, the better our clubs become and the better our matches are. No matter what you are able to do, please consider helping out at some level of your sport. Because it is your sport; and it relies on your participation to succeed. Just like stage analysis, the amount of time we actually press the trigger is very short compared to how we got there. These chores need your help so we can all press that trigger just a little bit more.

We need your participation!!

Gene R. Pipinich  
NRS SC/06

## GAS - Bozeman

A very large THANK YOU to everyone who came out and helped us setup, tear down and participate in all of our matches this year. We had a lot of fun matches with the first in our Shooting history (to cancel a match). It was unfortunate, but I think for the best. The shooting year was a blast and very enjoyable to meet with our new competitors and talk with all of our fellow long time members. We look forward to another fun year next year and hope to see some more exciting stages submitted to us from our members. We hope all of you a very merry Christmas and a prosperous and "fun shooting" New Year.

See you on the range next year.

Nick D. Pipinich

## BFGC- Bigfork

No news reported

## MCAS - Billings

First of all, we would like to congratulate BSPSC on landing a National Championship! Way to go Missoula!

We are working on our plans for next year - the big news for us is that we will be constructing a new building at the pistol range, this will include a meeting room, additional storage (YES!), and a covered patio! This is going to be a great addition to our program, and we are really looking forward to it!

Thanks to everyone who joined us to shoot this year, and a special thanks to all of those who helped out!

I would personally like to extend a very warm thank you to Gene Pipinich for all of his efforts as Section Coordinator for the past two years. He gave selflessly of his time and energy for all of our benefit.  
THANKS GENE!

Merry Christmas to you and your families, and we'll be seeing you on the range in no time!

Scott Nielsen

## BSPSC - Missoula

Merry Christmas and Happy New year to all.....

Thanks to all that participated, officiated and worked to make the Missoula matches/2006 a banner year.

2007 is bringing the USPSA Nationals to Missoula....Open & Limited 10 Divisions.....June 20-24. Info is posted on the USPSA website under the "Nationals" tab. The info there will be updated as it becomes available from USPSA.

Missoula will also host another Glock (factory) match on July 14th & 15th. A great opportunity to possibly win some of their outstanding prizes and it is a fun match.

We all look forward to seeing you in Missoula in 2007.....

Paul Miner

## Tech Notes

At this time we are still actively seeking volunteers to submit articles or groups of articles for our Tech Notes section of the newsletter.

If you would like to submit a paragraph or two about issues you have discovered, things we all need to remember, rules that catch us by surprise or practice tips to make us better shooters, we need your help.

Please contact your club reps with your articles. We would like to hear from you the membership on issues that have meaning for you related to this area of our newsletter.

We look forward to hearing from you in the upcoming 2007 season. Happy Holidays.

## Member Feedback

I wanted to write a brief note of thanks to all of you for your support during my time as your Section Coordinator. It has been 2 years of learning, successes, mistakes, education and great satisfaction to be your representative.

It was great attending your matches, working with you on our administrative changes, the newsletter and most of all visiting with you as we competed in your matches. It is great to have all 4 clubs back on the circuit and most off all I want to wish all of you Merry Christmas, Happy New Year and a great 2007 season.

*Gene R. Pipinich*
